Unfortunately Aggie Blue Bikes is unable to offer rental bikes to Summer Citizens, per USU Student Fee Board Regulations. However, we are happy to offer our repair shop, maintenance, and mechanical advice to those who bring their personal bikes to USU, free of charge. You may also consider looking for an affordable used bike at a local thrift shop (Deseret Industries is a great option), and we can help fix it up, again free of charge (not including the cost of parts).

# CAMPUS RECREATION MESSAGE

Dear Summer Citizens,

The employees of Campus Recreation are excited to welcome you back to campus for summer 2017. It was a joy conducting guided tours of the new Student Aggie Recreation Center last summer.

The new recreation center is a great asset to the students and campus community. This first year of service provided actual building usage numbers for our students to evaluate where additional programming could be offered, especially during the summer months.

The USU student board has taken staff's recommendation allowing not only USU Faculty and Staff to buy a membership for the summer months (May 1<sup>st</sup> - Aug 31<sup>st</sup>) but also expanding the offer to registrants of the Summer Citizens Program. Listed below are options for you to get involved in our programs for the summer:

- 1) HPER Campus Recreation Fee: \$25 fee provides access to the HPER pools, fitness center, gyms and equipment rentals.
- 2) Aggie Recreation Center Fee: \$120 allows access to the Student Aggie Recreation Center as well as the HPER pools, fitness center, gyms, and equipment rentals. During the Summer, there will also be a few morning & afternoon fitness classes that are free to attend.
- 3) Aggie Recreation Center Day Guest Pass Fee: \$5 per day to use the Student Recreation Center. The day pass also allows access to the HPER facilities for the day of purchase only.

The Fieldhouse will not be open this summer. There is no air conditioning in that building and during warmer days this presents health risks to patrons.

For those that have already registered with the Summer Citizens Program and paid the \$25 fee have the option to pay an additional \$95 for the Aggie Recreation Center access. Please contact the Summer Citizens Program office to assist with this transaction.

We look forward to seeing you very soon.

Sincerely,
