

40 YEARS THE SUMMER SCOOOP

Summer CITIZENS
Logan, Utah

1976-2016

March 2016

Spring is in the air in Cache Valley! The snow is melting and it won't be long before the first robin appears which officially announces spring's arrival. We've had a great winter with more than adequate snowfall and hope this moisture will create a lush spring and beautiful summer landscape.

Springtime isn't the only thing in the air, so is the Summer Citizens Program 40th Anniversary Celebration. To recognize the amazing people who are part of this program we hope to feature you, our program participants! We have the unique opportunity of bringing people together from all over the country to USU's campus and it is such a pleasure getting to know each of you.

The USU family, Summer Citizens Program staff and community members would like to read, hear, and learn from your words of wisdom. You can write about any special experiences or great events from your life.

Please share something from your life story with us by submitting 500 words or less through the Summer Citizens website:

http://summercitizens.usu.edu/system/Wisdom/form_WoW.cfm

Looking forward to seeing you all this summer!

Imperial Glee Club

Cache Valley's historic men's chorus, The Imperial Glee Club, is celebrating its centennial season. The club was founded with a charter of service and brotherhood in 1916,

making it one of the oldest continuously performing men's choruses in the United States. The 25-30 club members come from throughout Cache Valley and perform choral music in a wide genre including show tunes, pop, and holiday music, with an emphasis on patriotic and spiritual anthems. The club annually touches hearts and lives in northern Utah and southern Idaho with concerts in a wide variety of business, civic, church, service, and charitable venues.

Spring is FINALLY Here (almost)

Sometimes winter in Cache Valley seems to never end. These last few weeks, we have had some very nice days though. So it looks as though the weather IS warming up for you, just like we promised!

Do you wonder what there is to do in Logan during the spring? Students usually leave to Bear Lake, or on vacations during USU Spring Break so the campus gets pretty quiet. But downtown, and in the towns near Logan, there are activities that people are always looking forward to.

The Annual Cache Valley Cowboy Rendezvous is happening March 4-6 this year. This is a three-day event which brings western musicians, poets, and artisans together to celebrate our western heritage. There will be a 'Cowboy Family Dance' and performances by Billy Dean, Michael Martin Murphey, Eli Barsi, & more. On Sunday, a non-denominational 'Cowboy Church' will conclude the event.

For Easter, the Cache Valley mall and the stores along main street always put on an Easter egg hunt. Nibley also has a large Easter celebration with a Funny Bunny 5K Run followed by a free egg hunt.

We hope you have some exciting spring and Easter plans this year!

A photograph of the Mormon Tabernacle in Salt Lake City, Utah, taken at dusk. The building's spires are illuminated with warm lights, and the sky is a deep blue. In the foreground, there is a field of colorful tulips in shades of red, orange, yellow, and purple. The image is framed by a red border.

Mormon Tabernacle Choir & Temple Square Tour

As you may have seen in the announcements, our Mormon Tabernacle Choir & Temple Square Tour has changed dates to **Sunday, July 24th**.

The Choir announced on February 5th, that they would be taking an international tour to Europe for the first time in 18 years. They have also recently announced an invitation for individuals, choirs, and fans around the globe to submit a video of them singing the “Hallelujah” chorus from Handel’s “Messiah”. For the Easter Season, the choir is putting on two performances of the “Messiah” and will be selecting videos to be featured in a virtual choir performance. The public can stream the performance live at **7:30 p.m. on March 25, 2016**.

Our tour of Salt Lake City will include a live performance from the Mormon Tabernacle Choir for the 24th of July. The 24th of July is a major holiday in Utah because it was the day the pioneers first settled in the Salt Lake Valley. The performance we will witness will be held in the LDS Conference Center that holds 21,200 people.

On our tour we will also have time to spend on temple square with its two visitor centers, museums, family history center, famous gardens, and the newly renovated Church History Museum. Sign up today!
