HAPPY ST. PATRICK'S DAY!

Spring has decided to slowly roll into Logan. Winter has brought much-needed water to Utah, but we couldn't be more excited about weather warmer than 35 degrees. There's only 3 months until Summer Citizens start to file onto campus and we cannot wait.

Remember to register for your classes soon. After April 25th all items increase by \$10. We have amazing courses this summer and you don't want to miss the opportunity to attend your favorite class. We also have four awesome tours available this summer. Information about travel adventures can be found starting on page 39 in the 2017 Program Book.

Additionally, housing is filling up fast so make sure to reach out to the different apartment complexes to sign up for the summer. Don't hesitate to put your name on a waiting list; a lot can change from now until May and a spot could open up. A visit to the Summer Citizens website under the Accommodations page can give you additional information on housing.

WE HOPE YOU HAVE A VERY LUCKY MONTH!
