

August 2018

Thank You

Thanks to everyone who participated in our 2018 Summer Citizens Program! The program had a record-breaking year! 2018 was definitely a summer to remember with good memories and wonderful friends.

The closing luncheon was a spectacular success. We appreciate everyone who RSVP'd and attended the closing Summer Luncheon. The talent show was wonderful and everyone had a great time remembering a fun summer together.

We wish each of you safe travels as you head home, and hope to see you next year!

"The classes at USU offer something for everyone, the theater and opera talent is truly amazing, and I loved the daily Tabernacle entertainment. Add in the challenging golf and beautiful scenic hikes, and you have a perfect summer."

We were able to raise \$2,640!

Thank you!

Meet our 2018 scholarship recipients!

Amanda Mansell has always wanted to be an English teacher. Throughout school, she was passionate about English and excelled in her other classes, too. She was part of various clubs such as Hope Squad, FCCLA (Family Career and Community Leaders of America), and even the Harry Potter club. She was also involved in choir, orchestra, peer tutor, and peer court. She is grateful to the teachers and school counselor who helped her get where she is today. She hopes to make an impact on her students as her teachers have done for her.

Dylan Olson recently graduated from Ridgeline High School. He plans to major in accounting and has a love for business. In high school, he was on the baseball team and also enjoyed playing basketball and any other sport with his friends in his free time.

Some of his goals for the future are to graduate college with a degree in accounting and start his own business. He would like to complete his master's degree in accounting and perhaps human resources. He is excited to receive the Summer Citizens Scholarship and appreciates everyone who contributed to the program.
