MERRY CHRISTMAS!

The most wonderful time of the year is finally here! Logan has been absolutely covered with snow and nights are filled with hot chocolate and Hallmark Christmas movies. Only one month away before our trip to Arizona, and we are so excited to see everyone there. We are definitely counting down the days until January!

With all of the hustle and bustle of Christmas preparation, we hope you find quiet moments with family and friends. It will be those moments with those people that matter most.

No matter where you find yourself these holidays, we hope that you can find the peace and joy that the holiday season brings. We at the Summer Citizens Program are thankful for you, and the joy that you have brought to us throughout the years! This coming year is sure to be a great one, and we can’t wait to enjoy it with you in Logan, Utah!
Dear friends and soon to be friends,

It’s been a remarkable year here in Logan, Utah. The Summer Citizens Program 2020 curriculum schedule is nearing completion and will be available in printed format during the week of presentations in Arizona. The 2020 program book will be available for viewing electronically on January 27, 2020 through the Summer Citizens website by clicking this link: Summer Citizens Program Book.

Temperatures in Logan are rapidly declining with the second snowfall of 19” during the week of Thanksgiving. The frigid temperatures in Logan makes our visit to the warmer climate in Arizona even more exciting for our team. We look forward to greeting our friends each year during program presentations the week of January 27 – 31, 2020. Please invite your friends and neighbors to attend a presentation with you, all are welcome!

The holidays are a great time to reflect on past memories and the opportunity for making new memories throughout the coming year. It is a pleasure to create this program for you and I’m very excited for the future. This year we hope to provide you with a summer filled with Discovery, Engagement, and Celebration through all campus and community activities available to Summer Citizens.

Wishing you a joyous holiday season and the brightness and hope for new and exciting adventures in 2020.

With sincere gratitude,

Linda D’Addabbo

Summer Citizens Program Coordinator

Utah State University – Event Services
We’re coming to visit you!

YEAR OF THE WOMAN

Noelle Cockett proclaimed the 2019-2020 academic year as The Year of The Woman. USU is joining the nation in celebrating significant voting right anniversaries in 2020: the 150th anniversary of suffrage for Utah women, 100th anniversary of women’s suffrage in the United States, and the 55th anniversary of the Voting Rights Act. As the university honors the important milestones in history, USU also declared this the Year of the Woman.

USU wants to highlight and celebrate the women that have made Utah State the institution it is today, and unearth some of the untold stories about these women. Every month, USU Today puts out a story highlighting a woman from the past and a woman from this era, showing the legacies that have been left from over a hundred years ago to today.

** Hardware Ranch Sleigh Rides every weekend at 10AM or Noon!! **
1) Every elf has an ornament on the tip of their shoes. Which ornament is it?

2) What is the color of the berries on mistletoe?
