

THE

SUMMER SC P

Summer
CITIZENS
Logan, Utah

February 2019

Here's to a FANTASTIC February!

We know it is going to be a FANTASTIC February because we are coming to Arizona this month! We are ecstatic to get out of the snow and cold, but mostly we are excited to hopefully see you. See page 3 for our travel itinerary. Thank you to everyone who took the time to navigate our website and RSVP to an informational seminar.

*Fabulous program,
Fabulous Town, Fabulous
people!!!*

-Jan (Summer Citizen)

January has been cold and snowy, but we still love Logan. The snow does make some beautiful views. We hope your Valentine's Day is full of love and warmth.

The best news of the month is that you can **REGISTER** starting on **February 4th** for the Summer Citizens program. For those who will not be attending a presentation in Arizona, 2019 Program Books will be available for mailing near the end of February. The online version will be available on our website. Everyone who registers BEFORE April 25th will get a free t-shirt. We know this will be a summer to remember!

5 Valentine's Day Facts

1. Passing out Valentines is a 600-year-old tradition.

Each year, kids in classrooms across America hand out Valentine's Day cards to their classmates. According to History.com, the oldest record of a valentine was a poem Charles Duke of Orleans wrote to his wife when he was imprisoned in the Tower of London in 1415.

2. Today, millions of greeting cards are purchased every year.

We're talking 144 million greeting cards being exchanged industry-wide every year for Valentine's Day in the U.S. alone, according to Hallmark.

3. Wearing your heart on your sleeve is more than just a phrase.

In the Middle Ages, young men and women drew names to see who their Valentine would be, the *LA Times* reports. According to *Smithsonian*, they would wear the name pinned to their sleeve for one week so that everyone would know their supposed true feelings.

4. Valentine's Day is a popular holiday to get engaged.

This seems fitting: A 2017 study by diamond retailer James Allen found that 43% of millennials chose Valentine's Day as their top choice of day to propose or be proposed to.

5. Americans spend a lot on love.

According to a survey by the National Retail Federation, Americans spent \$18.2 billion for Valentine's Day in 2017 and were expected to spend \$19.6 billion in 2018.

CORRECTION on pg. 40 of Program Book

Course #	Dates	Time	Days	Price	Location
----------	-------	------	------	-------	----------

USU Caine Dairy Tour

Course #162	5 June	10:00 AM – 12:00 PM	Wed	\$0.00	USU Caine Dairy
-------------	--------	---------------------	-----	--------	-----------------

DESCRIPTION: In 2018 the Utah Agricultural Experiment Station opened a new barn with robotic features. The facility, used by the USU dairy program, exposes students and other producers to modern technology. Come learn how we're using technology to increase our milk production and watch our automated

milkers in action. Transportation to the dairy is on your own. If standing is a problem, please bring a camp chair, etc.
Caine Dairy Teaching and Research Center, 4310 South Hwy 89-91, Wellsville, UT 84339.

USU Animal Science Farm Tour

Course #163	11 JUNE	8:30 AM – 11:30 AM	Tue	\$5.00	Matt Hillyard Animal, Teaching & Research Center
-------------	---------	--------------------	-----	--------	--

DESCRIPTION: The College of Agriculture and Applied Sciences looks forward to showcasing a few of our research projects. This will be the same tour that we did in 2017. It will include five stations where you will view parasites in a cow, learn about the science of cloning and what the future holds, the basics of animal handling and behavior, see callipyge sheep, and learn how to select a premium cut of beef. The tour will conclude

with our world famous Aggie Ice Cream. Transportation to the farm is on your own and carpooling is recommended due to limited on-site parking. If standing is a problem, please bring a camp chair, etc.
USU Equine Equestrian Center, 3580 South Hwy 89-91, Wellsville, UT 84339.

USU Aggie Chocolate Factory Tour

Course #164	17 June	2:00 PM – 4:00 PM	Mon	\$0.00	Blue Square Apartments
-------------	---------	-------------------	-----	--------	------------------------

DESCRIPTION: For the past three years, the department of Nutrition, Dietetics and Food Sciences has taught students about the history and science behind chocolate-making. In 2018, we added a lab section to give our students hands-on experience. Come watch the process through our glass walls as we take a cacao bean and turn it into a chocolate bar and

other delicious confectioneries. Then taste our chocolate and have your questions answered by our experts. Transportation to the factory is on your own. Chocolate bars will be available for purchase.
Aggie Blue Square Aggie Chocolate Factory Learning & Research Center, 1111 North 800 East #140, Logan, UT 84321.

The Summer Citizens Travel Adventures—such as the ones shown here from past years—are a great way to experience the wonders of northern Utah.

***While we are in Arizona
