

THE Summer Scoop

June 2019

Life is Better in Logan

We've all heard the saying that "Life is Better at the Beach," but with the sunshine, ice cream, and the mountainous landscape, we say Life is Better in Logan! Many of our Summer Citizens have already started making their way here, so let the fun begin! With all the activities going on, be sure to check out our website to stay updated on community and program events.

Make sure that you come and see us in the Eccles Conference Center once you've gotten settled into your new apartment. (See the map on page 7 of the program book to find us). Our offices will be in the basement of the Conference Center, room 103.

We hope you are ready for a fun summer with friends and lots of new memories! We're glad you've come to beat the heat in beautiful Cache Valley!

Click [Here](#) for a Parking Map of all of the available places to park this summer with all the construction. The lot next to the University Inn is ADA parking only.

Talent Show!

[Click here](#) to perform in the Summer Citizens Talent Show! Feel free to sing a song, bust a move, or even share a new talent you learned this summer!

The talent show will be during the End of Summer Closing Social on **July 25th** at Noon.

"Logan fits everyone's idea of a perfect summer away from home."

Bridger Park, 1188 N 400 W, Logan, UT

Click [HERE](#) for online registration.

[Click HERE](#) for more announcements and information about events happening this summer for the Summer Citizens Program.

Check-In:

When you arrive, check-in at the Eccles Conference Center, where the Summer Citizens Program office is located. Due to construction, we cannot park in the Big Blue Parking Terrace. Be sure to park in one of the parking lots designated for summer citizens. [Click HERE for a map](#) of those locations. Our offices will be in the basement of the Conference Center. We'll have a welcome packet, a coupon book, and a t-shirt, if you registered before April 25th (no size exchanges).

To get your parking pass, you will need to go to the parking office located at 840 E 1250 N Logan, UT 84322. This is found on the Northside of the football stadium. For any technology questions, you will need to go to the IT office as well, located in building 27 on the map found on page 7 in your program book.

Silent Auction, Welcome Orientation and Merchant Fair:

Get ready to have some fun! Our Welcome Orientation and Merchant Fair will be on Thursday, May 30th at 2:00 pm in the TSC Ballroom. The welcome orientation includes a silent auction with some of the local businesses. The silent auction will begin at 1:00 pm in the TSC ballroom. To attend these events, you must have an updated ID card scanned at the door. This event will help familiarize you with the Summer Citizens Program, USU campus, and current happenings, as well as be a place to meet new friends! This is a great opportunity to learn about the benefits a Summer Citizens ID card provides you. Come see what good deals you can get! Following the Welcome Orientation, we will have the Merchant Fair located in the International Lounge, right outside the ballroom. This will feature a variety of different merchants from around town who are trying to make you feel right at home in Logan.

USU JAZZ ORCHESTRA

EUROPEAN TOUR BENEFIT CONCERT TUESDAY / JULY 2 / 7PM

The USU Jazz Orchestra has been invited to perform at some of the most prestigious jazz festivals in the world this summer and we need your help to get there. We will be touring through Italy, France, and Switzerland and performing at the Montreux and Umbria jazz festivals. This will be a tremendous opportunity and we hope you'll come support the students and hear their final performance before they embark on their tour. All concert proceeds will go to support the European tour.

NEW COURSE BEING OFFERED!

Course #167—Astronomy: a Brief Tour of our Solar System, our Galaxy and Beyond

This course will allow you the chance to explore the planets of our Solar System, their moons, dwarf planets, asteroid and comets. You will also learn about the formation of our Solar System and how it compares to other star systems that have recently been discovered. After a discussion on stars and their properties, you will learn about the components of galaxies and the fate of the universe. The week will lead up to spending Friday evening in the USU Observatory to look through a variety of different telescopes! [Click HERE](#) for more information on this course.

Course Details:

June 17th - June 21st

3:00 pm - 4:15 pm

Monday - Friday

Cost- \$50

ESLC 046 (Building #13)

Call (435) 797- 2028 to register for this course.

Instructor:

James Coburn is the USU Observatory Manager and has been teaching astronomy at USU since 2005. He got his first experience in teaching astronomy while teaching the astronomy merit badge at a scout camp. As an undergraduate physics student at USU, he ran the old observatory, located near the football stadium, for three years. He attended graduate school at Oregon State University, where he earned a masters degree in physics education. In 2000 he returned to USU and took the job of Teaching Laboratory Supervisor and Demonstration Specialist for the Department of Physics. A highlight of his career was to help design and oversee the construction of the USU Observatory that was built in 2009. He led the USU Eclipse Team in 2017 for the total solar eclipse. The group traveled into the path of totality and did outreach and gathered scientific data in Rigby, Idaho.

Local History You Don't Want to Miss:

Course #128—Cache Valley Goes Worldwide

June 24th—June 28th

9:00 am– 10:15 am

Monday—Friday

Have you ever wondered about what the local people from Cache Valley have done? Look no further! This course allows you the opportunity to learn about local legends that you may know about. If not, this is a great opportunity to learn about some of the businesses that have started small in Cache Valley and have grown world-wide! (After all, it was voted the “Best Small City to Start a Small Business” by Verizon this year.) From Casper’s Ice Cream to Icon to Stander Inc., you will not be disappointed in learning about how these locals became legends and more!

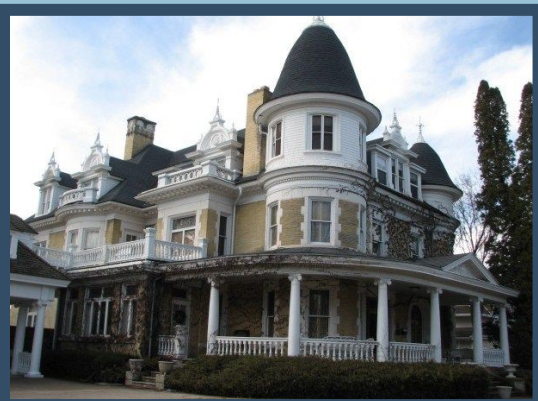

Course #153—Famous Historic Loganites

July 29th—August 2nd

9:00 am– 10:15 am

Monday—Friday

Have you ever walked next to the old Victorian Mansions and said to yourself, “I wish I could look inside and learn about the history of this magnificent house?” Well now you can! The Famous Historic Loganites course discusses the history of the early Pioneers of Cache Valley. We can learn about what life was like for David Eccles and why the Eccles family is such a big name today. Additionally, we will talk about people like Charles Nibley and the Thatcher family and the contributions they made. The last day of the course includes a field trip to see some of their beautiful homes here in Cache Valley, including a tour. Lucy does an amazing job with her classes and this is one you don't want to miss!
