

THE SUMMER SCOOP

November 2019

Only my second year in Logan, but already I feel like it's my second home. This year was fabulous! The Lyric Repertory Theater had such thought provoking dramas, and the wonderful live music from the Utah Festival Opera was grand. There's so much to do that I never have enough time!

Thanksgiving is coming soon!

Happy November! There may be a chill in the air, but hearts are warm as we prepare for Thanksgiving, a wonderful time of year to focus on gratitude and our blessings. We are especially grateful to each of you for your continued support from year to year. Thank you for being a part of our program and making Logan such a fun place each summer. We truly appreciate all that each of you do and we're excited to see you this summer!

We're doing our best in Logan to stay warm, although snow has already fallen on some of our football games. Midterms have wind-ed down into more exams and papers than before fall break. The Summer Citizens Office is staying busy as ever. Instructors have submitted their courses and we're putting together an exciting list of classes on a variety of topics. We're also planning our annual trip to Arizona, so put the dates on your calendars, we'd love to see each of you there!

THANKSGIVING ON CAMPUS

Whenever Thanksgiving rolls around, we are always more prone to taking a step back and seeing, truly, what our life is shaping out to be and how we can be grateful for this life we have. On Utah State's campus, we have a lot to be grateful for. The opportunity to have a higher education is a blessing, and giving back is something that the Aggie family cherishes.

On November 9th, the Aggies will be throwing a fundraiser for Primary Children's Hospital. The money raised from a day-long dance off will be donated to aid children in getting the surgeries and care that they otherwise wouldn't have had the funds to receive. This will be the second annual event, and the Service Center is hoping to double their proceeds from last year. The Aggie family is all inclusive, and we strive our hardest to help anyone who needs a hand.

We hope each of you have a wonderful Thanksgiving!

Test your Thanksgiving knowledge with some fun trivia!

TRUE OR FALSE??

1) The first Thanksgiving with the Pilgrims and Native Americans had turkey as the main course.

False: The Plymouth museum says that the main course was most likely venison or some other bird.

2) Squanto, a Native American, served as a translator during the first Thanksgiving feast.

True: Squanto was from the Patuxet tribe and learned English to help translate for the Pilgrims.

3) Thanksgiving was originally intended to be a fasting holiday.

True: The Pilgrims were originally going to celebrate all their blessings and show their gratitude by fasting

4) TV Dinners were invented because people wanted a way to save extra meat.

True: Apparently, a company ordered too much meat one year and wanted a way to save it.

Look carefully:

How many orange leaves are scattered throughout this newsletter? (not including the ones in pictures)

How many turkeys are there in this newsletter (on and off the table)?

There are 18 leaves and 2 turkeys!

Answers:

“There is always, always something to be thankful for.”
