

Summer in Logan

Summer has fully hit in Logan with temperatures ranging from 79-93*F in Cache Valley this week. We are missing you all incredibly, but know it is for the best. However, we want all of us to still feel connected, so we have made a number of online classes available! You can find more information on page 2. We are also working with The Utah Statesman newspaper on campus to offer placements in the paper for any features our Summer Citizens write! If you want to submit an article, please email sierra.benson@usu.edu for details!

Virtual Tours of the USU Art Museum!

Thought physically closed, the Nora Eccles Harrison Museum of Art is offering virtual tours throughout summer! Using the same technology that real estate companies use to create virtual tours of their homes for sale, NEHMA was able to create an engaging experience through the help of Youngblood Real Estate.

You can experience the virtual tour HERE and read more about how the tour came about HERE!
