We'd like to thank our wonderful housing sponsors who provide the Summer Citizens with comfortable and convenient housing while they are in Logan each summer. We couldn't host the program without them!

On Monday, our housing sponsors will open their doors to showcase their properties and apartments. It is an open house style, so no appointments are necessary, you are welcome to drop by anytime between the open hours listed above. A map and list of locations and addresses are at the end of the newsletter.

Closing Social & Talent Show

Thursday, July 22
3:30 PM—5:00 PM
Taggart Student Center Ballroom

The Closing Social is a chance for everyone to say goodbye to all the friends they've connected with this summer and enjoy some wonderful entertainment and a light snack. In addition to the talent show, the Summer Citizens Bell Choir will also perform a few numbers showing off what they learned in their class this summer from Tessa Buck.

An RSVP invite to the Closing Social will be sent out next week.

To apply for the talent show: Go to the website below, read the guidelines and enter your data in the online form. At the end of the form, please upload a short video clip of your talent. If we get more than 8 entries, the Summer Citizen Ambassadors will vote for the top 8 who will perform. Preference will be given to those who have not performed for us in the past. <https://summercitizens.usu.edu/TalentShow.cfm>

NEHMA's collection inspires visitors to form a new understanding and appreciation of American art in the West, one based on the ethnic, cultural, and geographical diversity of the region. It includes works by artists from Arizona, California, Nevada, New Mexico, Texas, Utah, and Washington state and also features Latinx, African American, Native American, and Asian American artists.

The museum offers a variety of membership tiers. As a member, you will gain special access to events, exhibition openings, and in-house discounts. NEHMA membership also grants you free or reduced admission to hundreds of other museums around the country through several reciprocal membership programs.

For questions about NEHMA membership or general questions, please contact Julie Taquin at 435-797-7239.
